

Shree-Lipi Braille is a TRUE-TRANSFER software which converts text composed for sighted persons to Braille text sequence required for visually impaired readers. Text file created by using 'Shree-Lipi Braille' will drive Enabling Technologies, Braillo, Index Braille Embossers to print Hindi, Marathi, Sanskrit, Gujarati, Punjabi, Bengali, Assamese, Oriya, Kannada, Telugu, Tamil, Malayalam and English scripts. Proper care has been taken to convert the original text to Braille, faithful to language requirements.

- Shree-Lipi Braille is compatible to **Duxbury Braille, WinBraille, Index Braille** etc
- It enables you to utilize full output capacity of expensive embossers which otherwise depends on the speed by which special Braille DTP operators make data entry
- You may get text already composed for sighted persons or you may make fresh data entry in Shree-Lipi on your computer by DTP operators which are easily available with no special Braille typing skills required
- You can do spell checking for Hindi, Marathi, Gujarati, Bengali, Oriya, Tamil, Kannada, Telugu & Malayalam text
- Shree-Lipi Braille can accept Text files composed in Shree-Lipi and other packages such as AkruTi, I-Leap, ISM, etc..
- Shree-Lipi Braille is available at a very reasonable cost
- You can save your work as well as translated Braille data in file format (.BMS) supported by Modular InfoTech
- In Shree-Lipi Braille, options are available to do page setup that include paper size, inner, outer, top, bottom margins and insert page number in header or footer. It also allows single sided printing, double sided printing, z folding, 4 saddle stitch / magazine format etc.
- You can directly emboss selected pages or number of copies of Braille data or make a print file through Shree-Lipi Braille
- Shree-Lipi Braille allows you to edit Braille data through six key typing
- Shree-Lipi Braille can provide Braille output in English for Grade - I and Grade - II
- Shree-Lipi can convert from Languages to Braille and Braille to Languages

With every package of Shree-Lipi Braille, Duxbury to Win Braille and Win Braille to Duxbury converter will be supplied free of cost
